Eligibility

Full-time and Part-time Team Members are eligible for benefits and benefits begin on the first day of the month following their event date. **(EVENT DATE = hire date or job change date).**

If you are enrolled in the Medical & Prescription Drug, Dental, Vision, Dependent Life, VAD&D, Critical Illness, Accident, or Hospital plans, you may also enroll eligible dependents for coverage.

Who Qualifies as a Dependent?

A dependent is an individual who is the son, daughter, stepson, or stepdaughter of the employee. This also includes legally adopted children of the employee and a child who is lawfully placed with the employee for legal adoption by the employee, and includes an eligible foster child, defined as an individual who is placed with the employee by an authorized placement agency or by judgment, decree or other order of any court of competent jurisdiction. A Dependent may also be a Spouse, Domestic Partner, or Child of a Domestic Partner.

JOANN requires proof of dependency any time you enroll a dependent and will conduct random audits of eligibility, tobacco-free status, and working spousal coverage. If you misrepresent any information, it will result in disciplinary action, ranging from loss of benefits to termination of employment.

Spouses/domestic partners who are employed and have access to employer-subsidized medical coverage are not eligible to be on the JOANN medical/prescription plan.

Medical & Prescription Plans

JOANN offers a selection of medical plans designed to fit your needs. Our medical plans are Preferred Provider Organization (PPO) and a Consumer Choice (HDHP) style plan that provide you access to one of the nation's largest networks of quality providers.

Prescription drug coverage is included with the medical plan and allows you to receive prescription drugs at reasonable costs from a network of retail pharmacies or through a convenient mail order program.

Please Note: if your spouse/domestic partner is eligible for medical coverage through their employer (regardless of enrollment), they are not eligible for medical coverage through JOANN.

The following resources are available to you once you enroll in a JOANN medical plan:

LiveHealth Online - Members have access to live video visits with board certified doctors to discuss non-emergency health issues like colds, sore throats, or infections. This service is free to all members enrolled in a PPO plan.

Quantum Health Care Coordinators - A JOANN dedicated team of nurses, benefits experts, and claims specialists who will support your unique healthcare needs and assist with claims, billing questions, and prior authorizations.

EAP - Confidential 24/7/365 support from licensed mental health professionals for issues such as: Stress Management, Financial Planning, Adoption Assistance, College Fund Planning, Legal Consultation, Eldercare, and Childcare.

You can open an HSA if you are enrolled in the Consumer Choice Plan (a high-deductible health plan). Team members can put money into an HSA up to an annual limit set by the government, using pre-tax dollars.
